

Mughal Mahal Fahaheel

Inaugurated in May 2009, this branch is strategically located in the middle of the bustling bazaar in Al-Hoor complex. The team was carefully chosen by the top management who included professionals like Mr. Man Singh, Mr. Jorge, Mr. Dinesh Joshi, Mr. Man Bahadur, in addition to the Kitchen team with Chef Pitamber, Mr. Pramod Bisht, Mr. Jiblal, Mr. Buddhi Bahadur, Mr. Dhan Bahadur and Mr. Tensang Lama who offered their whole efforts to make this branch successful and distinct from other restaurants, as stated on the profile Jara Hat Ke! (Like No One!)

Our curated menu offers three types of cuisines: Indian, Chinese, and Continental. In addition, the opening ceremony was celebrated with a grand party and the city's main social circle was invited to feel the vibrant culinary experience.

Along with the unique ambiance and the extraordinary menu, the top management cordially welcomed everyone to play an interesting game wherein all participants were invited to pick a marble from a velvet sack with different colors and the winner who picked the green marble was offered a lifetime complimentary invitation to dine with us infinitely. Ms. Fernandez was very fortunate and won this exciting event!

On the popular demand of our dear patrons, we opened our first party hall named Al Rayan Ballroom in the same complex in June 2010. Till date we have successfully organized thousands of events and catered to all kinds of occasions.
