

# Mughal Mahal Mahboula Exotica

Opened in November 2016, this perfectly located branch on the coastal road in Levels Mall Mahboula was an instant hit between the expat communities. The extensive menu offers a bountiful variety of vegetarian dishes along with acclaimed signature meals in a luxurious and cozy ambiance. This branch is an expansion from the modest takeaway Fintas branch upon popular requests from our patrons.

As we progressed, we introduced Chinese & Continental specialties and as the demand for home delivery grew we expanded our home fleet to deliver in a giant radius of up to 18 kilometers covering all of the Mubarak Al-Kabeer Governorate.

The dining experience is very progressive, especially the patio dining area where guests enjoy their meal in fresh air whilst receiving the finest service by the honorific team lead by Mr. Chandra Shekhar, Mr. Prashish Oberoi, Mr. Hassan & Mr. Labli all delivering exceptional service standards and the dedicated food production team lead by Chef Tulasi, Chef Manvirender & team crafting the most delicious curries, Chef Saaz Alam & team barbecuing some of the best grills in town to cater an unforgettable dining experience.
