

Mughal Mahal HAVELI in Hawally

The most palatial restaurant in the state, constructed with exquisite materials like the famous red sandstone of India, Ivory marble and teak wood for furniture, the Haveli branch is themed after a royal Rajasthani palace located in the Lulu Al Watan Complex, Beirut St, Hawally.

Opened to serve in October 2005, this branch is one of the largest in its segment with the capacity of 150 people, the comfort of dining in any of the 8 private dining cabins, plush dining areas and a special cabin called the "Mughal Room" for modest gatherings. The branch offers more amenities like the Special Weekend Buffet with the largest spread of over 45 selections.

The teams commissioned at this branch were some of the most talented in their respective areas and proved to be immensely effective. Thus, the restaurant achieved a distinguished status and was instantly acclaimed between the communities. Other than the various services, this branch has hosted many events of up to 50 people in a dedicated area near the buffet spread for utmost convenience.

We honor the following individuals for their devotion and dedication to make this branch a successful establishment; palatable dishes crafted by Chef Manoharan, Chef Prasanna Rao, Mr. Krishan Bhandari & Mr. Yadav along with team. Front of the house remarkably managed by Mr. C.S. Joshi, Mr. Bala Dutt & Mr. Vinod Reki. Front desk responsibilities dominated by Mr. Dinesh Joshi and team.
