

Mughal Mahal Salmiya Elite

As a dynamic team of F&B professionals, we welcome you to our Elite Branch. We began operations at Marina Plaza in February 2001. The main reason for catering to the Salmiya area was the scarcity of authentic Indian cuisine which was in high demand by the local residents who were majorly from South-Asian descent.

The charismatic team who developed this branch will be always being recognized for their efforts. We applaud the following members of the branch for their accomplishments; Mr.Chander, Mr. Kishore, Mr. Santram, Mr. Raghuveer who managed the front-of-the house operations flawlessly. Kitchen head Chef Tikender Bisht along with Chef Pitamber and their team who crafted exemplary dishes that complimented the palate of every guest.

As we progressed, so did the variety on the menu by offering exquisite dishes from the Hakka Chinese & International cuisine kitchen which is highly acclaimed by our guests.

Here's a quick rundown of the Salmiya Elite branch that you will find interesting:

1. It can accommodate a total of 120 guests.
2. There are 7 private dining rooms for families overlooking the city.
3. A huge dining hall to accommodate our honored guests overlooking the sea.
4. Located in the heart of the city's bazaar with plenty of parking.
5. Other than Dine-in, services include home delivery & self pick-up.
